

# TOUCH Program

THANKFUL | OUTSTANDING | UNDERSTANDING | CARING | HEARTS

*Touching Lives Because We Care*

Our residents and family members often express how grateful they are for the outstanding and compassionate team members they encounter. Bridgewater Retirement Community established our TOUCH program to give you the opportunity to tell your story and honor a special team member.

Gifts to the Touch Program recognize a BRC team member who goes above and beyond what is expected. We know that we have wonderful people, and by sharing your story, you recognize and thank individual team members for their outstanding care and compassionate hearts.

Team members honored through the TOUCH program will be recognized individually by their team and invited to an Evening of Gratitude, an annual event to thank donors and other special guests.

## Share your story and tell us about:

- The maintenance person who quickly arrived and fixed your leaky sink.
- The homemaker who always has a cheerful smile.
- A dining room server who shows exceptional kindness, caring, and assistance.
- The housekeeper who works hard to keep your home spotless.

I want to share my story about the outstanding, compassionate team members at Bridgewater Retirement Community.
